

Tor des Géants®

Aosta, 9 ,September 2013

The organisation of the Tor des Géants®, after forensic verifications communicates officially the identity of the participant deceased last night during the descend from the Colle of Crosatie in direction of the Lac du Fond.

It's **YUAN YANG, pectoral nr.1040** born in 1970 ,Chinese nationality. The athlete has deceased after a fatal incident for concussion.

His emergency contact, mandatory for all participants, has been immediately informed.

Aurelio Marguerretaz, councillor in charge of tourism of the Autonomous Region of the Aosta Valley ,expresses his profound condolence.

"In a moment of deep sorrow for the decease of the trailer Yuan Yang during the Tor des Géants, I desire to express my sincere condolence for the family of the victim who without doubt was a passionate of the mountains.

Values of the Tor are friendship, solidarity and respect. They are the foundation of any sportive manifestation . With these values , also in the name of the regional administration and the whole regional community, I would love to express our closeness to the family and thank also every single person that was there to bring immediate aid.

In the end I highly appreciate the decision of the organisation to maintain a respectful and moderate attitude during the manifestation, proper to the culture of the mountain."

In the next hours there will be more informations.
