TOR DES GEANTS® 2016: OFFICIAL VIDEO REPORT

The 2016 edition of the Tor des Géants®, the endurance trail race held on the highlands of the Aosta Valley along the border between the sky and the highest alpine mountains, stood out decidedly among the seven editions in our archive. It was a race that gave the 770 runners at the starting line, representing 70 countries (from neighbouring France to the remote Wallis and Futuna, a small atoll in the Pacific) strong emotions in a superlative setting. 330 km. of effort, adventure, solidarity, friendship, sharing, and discovery of nature in all its forms. and especially, of themselves.

We have tried to convey the essence of the Tor des Géants® 2016 in this film. We'd appreciate if you would share these feelings on the site of your newspaper or on your Facebook page. Sincere thanks.

The staff.
