Gran Trail Courmayeur & TORX® are on!

Monday, 17th January 2022 - The trail running community is ready to get back on track. The first window for VDA Trailers race registrations is now open and others will gradually open up over the next few weeks. In summer 2022, **Gran Trail Courmayeur and TORX®** runners will return to the Val d'Aosta trails with a well-established formula guaranteed to provide a unique and constantly evolving experience that's not just about sport.

Tenth annual Gran Trail Courmayeur 8 - 10 July: registrations open until 15 June

The first date to mark on the calendar is **the second weekend in July: 8 - 10**. The Gran Trail Courmayeur returns for its **tenth year** with the three now classic distances

- the **GTC30, the GTC55 and the GTC100**. Registrations are now open at 100x100trail.com and will remain open until midnight on 15 June.

Three different routes, three distances calibrated to the capabilities of individual trailers, for a unique race that takes in the astounding vistas around Mont Blanc, starting and finishing in Courmayeur. The Gran Trail Courmayeur is part of the **TORX® eXperience**, a circuit of races united by the spirit and values of TORX®. If you can finish a **TORX® eXperience race**, you qualify to try for the **TOR330 - Tor des Géants®**. **TORX® awards 100 PAXs (TOR330 race numbers) to GTC100** finishers regardless of their position in the rankings, which entitles them to register for the 2023 race without going through the draw. The regulations and further information are available on the [Gran Trail Courmayeur website](#).

The four TORX® races 9 - 18 September

Preparations are also in place for selecting the **2000-plus runners** who will take part in the four TORX races: **TOR330 - Tor des Géants®, TOR450 - Tor des Glaciers, TOR130 - Tot Dret and TOR30 - Passage au Malatrà**; the whole world will be watching this event on the Val d'Aosta 'Alte Vie' trails between 9 and 18 September.

The priority registration period **10 - 24 January** is reserved for runners who registered for **TORX® 2020** but didn't take up their places last year, and in terms of the TOR330 - Tor des Géants®, **holders of a PAX**, i.e. any runner who finished a TORX® eXperience race in 2021 (GTC100 or TOR130).

New aspiring giants will have to wait until **1 February to pre-register for the TOR330 - Tor des Géants®** - registrations close **at midnight on 14 February**. The lucky entrants will be drawn by the end of the month, and will then have time between 1 and 31 March to **complete their registrations**.

Registrations for the remaining races will also be accepted in this time window, **i.e. 1 - 31 March or subject to availability of places** (200 for TOR450 - Tor des Glaciers, 500 for TOR130 - Tot Dret and TOR30 - Passage au Malatrà).

As usual, registrations must be done online at 100x100trail.com. Regulations and further information are available on [the TORX® website](#).
